Dear Praneeth,

I hope you're doing well! I wanted to share with you my plans to help our country by protecting the environment. It's our duty as citizens, you know!

Firstly, I plan to reduce the use of plastic by using reusable bags and bottles. This way, we can cut down on waste that harms our beautiful environment.

Secondly, I want to plant more trees with my family and friends. Trees give us clean air and shade, and they help animals too!

Lastly, I will join activities like cleaning up parks and beaches to keep our surroundings clean and safe for everyone.

I believe if we all do our part, we can make a big difference together. What ideas do you have? Let's work together to make our nation even better!

Yours friendly,  
Dhanush
